Hi Paul,

Got your call. I am assuming that you are calling about the taxi / limo parking on Vicksburg.

Both Omar and I are working hard on this problem. Unfortunately, none of the players (LAWA, DOT, Taxi Admin.) have an easy solution AND they don't work in concert to solve problems.

Attached is a picture that I took last week and sent to LAWA regarding parking on Vicksburg and in your parking lot.

LAWA staff will be at our next Board of Director's Meeting on May 12th at the Renaissance Hotel to update us on their efforts to solve the problem.
